St. Francis Elementary School Family,

Thank You!

We would like to thank our PIA Committee and all of the volunteers that helped with the tailgate party last week! Even though it was chilly, it was heart-warming to see everyone having a fun time!

Main Door Entrance

We want to inform parents that the main entrance door will automatically unlock at 8:10. If you are dropping your student off please enter those doors at the time.

ALICE Parent Information Meeting

The parent informational meeting is Tuesday, October 9th at 6:30 in the Waldo Site Church. We will be informing our students about ALICE after the parent informational meeting.

Walk to School (K-4th)

Our Fuel up to Play walk to school event is **Friday, October 12th**. We will meet at Rob's Market on Menasha street starting at 7:30. We will start walking at 7:45. We would like to remind our families to turn in your Fuel up to Play Walk to School permission slip to the office by **Tuesday, October 9th**. Students will not be allowed to walk unless they are supervised by an adult.

Vision Screening

With the help of the Manitowoc Lions, we are excited to offer vision screening for all of our students. We will once again be using a camera that scans the eye and determines how the eye is performing. It takes about 3 seconds to complete and the results are immediate.

Vision screening will be on **Monday, October 15th**. If families of our 3K Tuesday/Thursday students would like to get their child screened, you can come between 8:00-8:30 on October 15th. If you would like your child to opt-out of the screening, please contact the office.

After School Parking

Please do not park on the east side (school side) of 15th street during dismissal. It is very difficult and dangerous for the school bus to go down that street with cars parked on both sides of the road.

Ask your child...

This week ask your child what the six steps to listening!

1. STOP what you are doing and saying.
2. CLEAR AWAY distractions.
3. LOOK at or toward the person speaking.
4. ASK QUESTIONS if something is not understood.
5. SAY in your own words what you heard
6. DO the task or actions you heard.
