in .org and not .com

Example:

“firstname.lastname@sfamanitowoc.org”
as of September 1st!!!!

Contact information

If anything has changed with your contact information please contact Brigitte in the office to get this updated. 920-652-7841 or brigitte.luedtke@sfamanitowoc.org Also please get in any forms that you still may have!!!

Join us for Mass!!

Every Wednesday at 8:15 we have mass. Each week one of the classes will take the lead and plan the mass. Please come and join us each week to celebrate mass with our students.

Just a reminder that we will be having a school blessing prayer service this week on Thursday instead of mass on Wednesday.

No Cellphones in Class

Just a reminder that this year we will not be allowing students to have their cell phones in any class for any reason. They should be in their lockers and off. If there is an emergency we will make sure your son or daughter can contact you or if you have a message for your son or daughter we will get that to them. If you would like to find out how your son or daughter did on a test or project ask them when they get home, this is important to take time to talk with your son or daughter about how their day was.

If a staff member finds a student with their cellphone without the permission of a teacher the phone will be brought to the office where a parent will have to come in and pick it up. The next time this happens will result in the same consequence as well as a detention. Thank you for your understanding.

ALICE Training

This last week the elementary and middle schools were trained in the ALICE model on dealing with an active shooter. I know it is sad that we have to prepare for such a thing but we want to be prepared for the safety of our students. More information on any drills will be communicated in advance.

Drop off in the morning!!!

If you drop off your child at school in the morning, we ask you to drop them off facing north on S. 22nd Street. We are asking that you please follow the drop off procedure because safety of the students and you are important to us. We ask that you do not drop off your student in any other location but by the school on 22nd street. If you have any questions on this please contact Mr. Thiele.

Monday, 8/27
